Material collection for good.food.toolbox

Name	Bee Quiz
Topic	Honey
Partner	Thüringer Ökoherz e.V.
Original language	German
Target group	Educators – for teaching in primary, secondary and high school
Description	The material provides information for educators. It is also a basis for a game that can be played in different ways.
	Game suggestions: The children have to select for each question the correct one out of three answers.
	It can be played as a relay race or as a team working at the stations. Therefore is peeded: printed eards (file: Rec guiz pdf)
	Therefore is needed: printed cards (file: Bee quiz.pdf) Question-cards (bigger)
	3 Answer-cards for each question (smaller)
	It also possible to play without cards: Divide the class in groups and collect point for each group for each right answer.
	Determine the winner.
Links/ files	Questions and answers: Bee quiz.pdf
Pictures	Example cards for two questions: Frage 1: Wer macht bei den Bienen den Honig? A: die Königin B: die Arbeitsbiene C: die Drohne C: 2.000 Eier * die Königin * die Arbeitsbiene * die Arbeitsbiene * die Arbeitsbiene * die Arbeitsbiene * die Drohne die Drohne * die
